ABOUT US

Trail's End Farm was opened in 2000 by Annette and George Haygood. They have been riding and caring for horses all of their lives. Annette works part-time as a nurse and George is a construction supervisor. Both owners currently live on the premises.

OUR CLIENTS

Our clients are owners who need to board a retired horse or a horse in lay-up, are unable to tend to the horse on a daily basis, or cannot visit their horses frequently.
